**Letter of Correction**

The Journal of Agricultural Education (JAE) published an article in volume 54, Issue 2 (2013) by Ritz, Burris and Brashears entitled *The effects of a time management professional development seminar on stress and job satisfaction of beginning agriscience teachers in West Texas*. It was discovered that one author was inadvertently omitted from the manuscript. The manuscript has been corrected in the JAE database. The correct citation should read as follows:

Ritz, R., Burris, S., Brashears, T., & Frazee, S. (2013). The effects of a time management professional development seminar on stress and job satisfaction of beginning agriscience teachers in West Texas. *Journal of Agricultural Education*, 54(2), 1-14. doi: DOI: 10.5032/jae.2013.03001

The Journal issues a letter of correction whenever there are mistakes in the author list in a manuscript.
