

Instructions for Submitting Final Manuscript

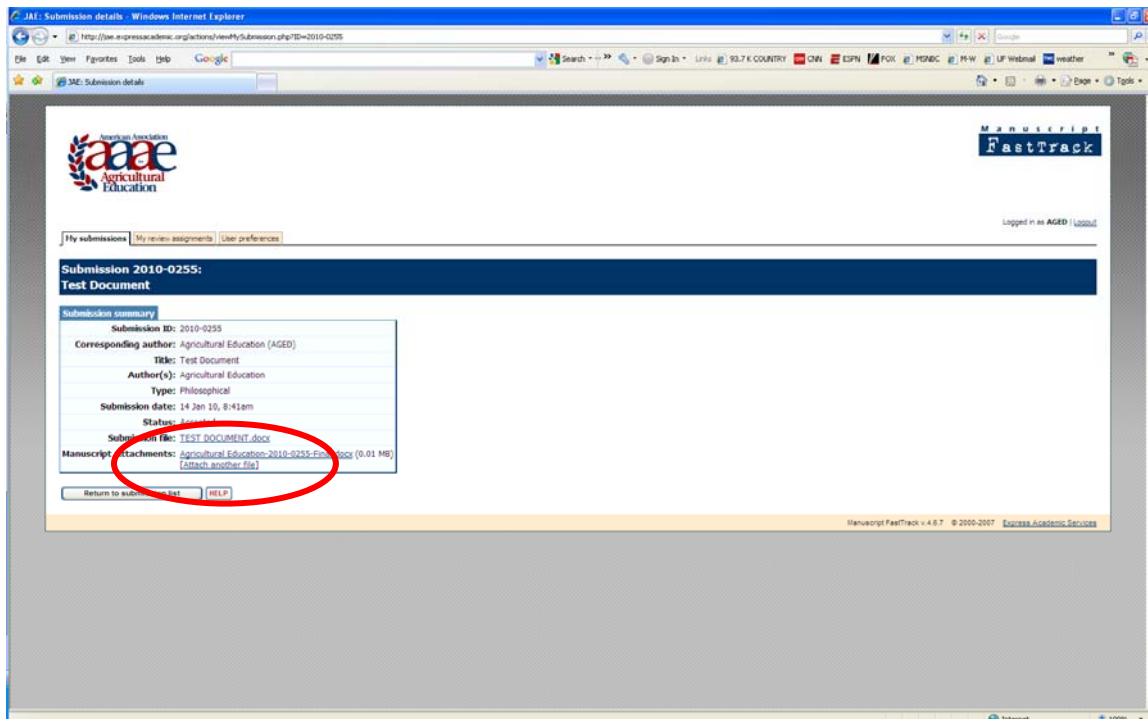

Journal of Agricultural Education

ISSN 1042-0541

When submitting the final version of your article to the editor, log into your JAE Fast Track Account and click on the submission. Click on the “add attachment” link and upload the final version of the article (formatted like: Author-2010-0320-Final.docx) (see below).

To upload the JAE Publication Agreement form, click on the “Attach another file” link at the bottom of the page (see below)

When you are complete, your submission page should look like the following example:

The screenshot shows a Windows Internet Explorer browser window displaying the submission details page for 'Submission 2010-0320: Test Document'. The page features the American Association of Agricultural Education (AAAE) logo and the Manuscript FastTrack branding. The user is logged in as 'AGED'. The submission summary table is circled in red.
