

How to Submit Your Manuscript for Review

- Click the “*About*” link in the upper bar of the [JAE page](#) and click “*Submissions*”
- Please ensure your manuscript complies with the Submission Preparation Checklist.
 - Click the “*make a new submission*” button.

1. “**Start**” –**Each author must read and acknowledge requirements for submission by checking each box.**
 - “Section” - Select the Journal of Agricultural Education
 - “*Comments for the Editor*” are available if needed.
 - “*Acknowledge the Copyright and Privacy Statement*”
 - Click “Save and Continue”
2. “**Upload Submission**” click “*Upload File*” or “*Add File*” and select the document you wish to upload.
 - Once the upload is complete, you will be asked to identify this submission as “article text” or “other.” Please choose “article text.”
 - Once completed, please click “*Save and Continue*”
3. **Enter Metadata** – **attributing information for this submission will be captured here.**
 - List the full title and copy and paste the full abstract.
 - Add all author contributor information in “*List of Contributors*”
 - Including name used for publishing, email, country of residence, ORCID ID, affiliation, bio statement and their role. Select the principal contact (corresponding author).
 - Enter “*Keywords*” click enter after each keyword.
 - Add Supporting Agencies if relevant. If more than one, click enter to separate these acknowledgements by clicking enter after each.
 - Enter “*References*”
 - Copy/paste the references from the manuscript into this section. These references will become part of the metadata and help connect this manuscript to search engines and help others find our research.
 - Click “Save and Continue”

Your submission is complete; you and the editor will receive a confirmation email.
